

Coding A Narrative For Career Transitions: Hackpack

Saturday, September 18th, 2021

12:00 PM - 1:00 PM PST | 3:00 PM - 4:00 PM ET

Description

Career development workshop about building a strong narrative to prepare for career transitions. Whether you are transitioning into technology, into full time work, or entrepreneurship, crafting a strong narrative beforehand can be powerful.

Learning Outcomes

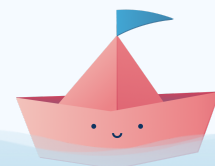

This is what you will gain from the workshop and why it's valuable to you. Please also list some learning outcomes, i.e. what you will walk away from the workshop with these skills:

- This workshop would help hackers levelUP their storytelling experience and support them in navigating a big career, academic, or job transition.
- Learn about a 5 step career transition framework
- Learn about 3 major areas of what you should consider before making a career transition
- Develop storytelling skills

Prerequisite Knowledge

In order to get the most out of this workshop you should be comfortable with the following concepts:

- *No prerequisite technical knowledge is needed*
- Participants should be somewhat familiar (i.e. you have heard of it) with the professional concepts of resumes, interviews, and digital portfolio platforms (e.g. linkedin)
